

## **Pam Young's classes for the Spring Semester at The Enrichment Academy**

### **Colored Pencil 3 Wednesday from 1-3 April 3- May 8 (six weeks)**

Students will learn how to use solvent to blend colors, produce underpaintings, and backgrounds. Various textures will be taught. These textures are: Water, Sky, Clouds, Rocks, Fur, Trees, and Grass. **Colored Pencil 2 is a pre-requisite.**

### **Colored Pencil Furry Pets 2 Thursday from 1-3 April 11-May 16 (six weeks)**

Students will bring in photographs and receive individualized instruction on how to render their pet's portrait. **Colored Pencil Furry Pets 1 is a prerequisite.**

### **Colored Pencil 1 Tuesday from 1-3 April 16-May 21 (six weeks)**

If you are a beginner to Colored Pencil then this class is for you. No art or drawing background is required. You will learn all about the techniques involved in producing realistic colored pencil paintings. Additional supplies must be purchased from the instructor \$25.00.

### **Colored Pencil 2 from 1-3 Wednesday May 29- July 3 (six weeks)**

In this class you will learn how to blend using burnishing techniques and the colorless blender. I will also incorporate the use of Prisma Verithins. You will also learn how to use Complementary Colors to create shadows and reflected light. **Colored Pencil 1 is a pre-requisite.**

### **Landscapes in Colored Pencil from 1-3 Wednesday August 21-September 25 (six weeks)**

In this class students will learn techniques for creating two beautiful landscapes. The lessons will include one mountain lake landscape and one tropical beach landscape. Different blending techniques will be taught. **Colored Pencil 1 or intermediate experience is a prerequisite.**
