

Hi all,

I hope you are all well and staying home. This gives us lots of time to give thanks for our health and wonder what we can do for others. With all the spare time we have and the hot weather, let's think of December. What? Yes December! It will be here before we know it. This would be a good time to make **Holiday Cards for the Hospital**. Last year we colored an ornament. This year Sandy Phillips has created a candle pattern for us.

Start with a piece of colored pencil paper cut to 8 ½ inches wide and 5 ½ inches high. Fold in half so that it is 4 ¼ wide to 5 ½ high. On the front of the card is where you will transfer the candle pattern. Inside is where you can put your greeting such as: "Wishing you love, peace and joy this holiday season!" or "Happy Holiday to you on this most magical time of the year!" or "Season's Greetings to you at this special time of year". The Hospital requests no Religious Statements such as "Merry Christmas" or "Happy Hanukah".

Sandy has graciously given us options on candle design and coloring. I can't wait to see how everybody's card looks. If you stick to the 4 ¼" by 5 ½" size, CPPG will provide the envelope. We will start collecting the finished cards at our October meeting. You may color as many cards as you'd like. If you have any questions, please feel free to give me a call or text or Email Mary Tougas 507-381-3328 Tougasfm@gmail.com.

Happy Coloring!

Mary Tougas
