

Colored Pencil Painters Guild Artistic Advancement Certificate

Reasons for Awarding the Artistic Advancement Certificate

- To encourage our members to expand their horizons by entering their artwork in our Lake Miona Judged Shows, following participation in an Emerging Artists Exhibit (EAE).
- To increase participation in our judged shows which, in turn, helps to increase CPPG membership by educating the public about colored pencil painting.
- To give the artists an opportunity to have their paintings critiqued by a judge.
- To allow the artists an opportunity to compare their paintings against those of their peers and encourage goal setting.

Rules

1. Only CPPG members in good standing are eligible to be considered for this award.
2. Eligibility is limited to members who, after participating in an EAE, enter a painting in a Lake Miona Judged Show
