Print this page and complete all sections below. Save a copy for your records. Bring the completed form and your framed art. Bumpers must be placed on back of your frame at lower corners to protect the rec center walls. No "saw tooth" hangers. Make sure the picture wire is firmly affixed *to the frame* with D-ring type hangers.

Artwork will hang until takedown. Stay and socialize, work on your next CP painting, as the Pat Buckert Memorial Open Studio at Laurel Manor will be going on at same time.
